To our valued US customer,

Thank you for inquiring about our frozen veggie products.

As of today's date, the following US products carry the Child Nutrition (CN) Logo.

Case Code	Product Name	Oz Equivalent Meat Alternate per Serving	Serving Size Description	Serving Size
28989 49938	Morningstar Farms® Spicy Black Bean Veggie Burger	2.00	1 Burger	2.90 oz (82 g)
28989 97152	Morningstar Farms® Veggie Breakfast Sausage Patty	1.00	1 Patty	1.34 oz (38 g)
84059 71116	Gardenburger® Hamburger Style Classic	2.25	1 Patty	2.50 oz (71 g)

The Child Nutrition (CN) Labeling Program is a voluntary Federal labeling program run by the USDA. Through this program, the formulations of our products were examined by USDA to determine their contribution toward meal pattern requirements. This oversight allows us to state this contribution on our labels with the USDA certification and seal. The benefit of a CN label is that it clearly identifies the contribution of a product toward the meal pattern requirements.

For more information on the Child Nutrition Labeling Program, please visit:
<http://www.fns.usda.gov/cnd/CNlabeling/default.htm>.

Other Morningstar Farms® and Gardenburger® veggie US products are available for a la carte sales with the meat alternate equivalents listed on page 2. However, product formulation statements for USDA reimbursement are not available, and as such they are not recommended for reimbursable meals.

Please contact your Kellogg's sales representative if you have additional questions about CN labeling and our veggie foods.

Regards,

Julia M. Jursinic, MS
